Chapter 74. – STATE BOARDS, COMMISSIONS AND AUTHORITIES

Article 70. – STATE BOARD OF TECHNICAL PROFESSIONS

Title: Act not applicable to certain practices and persons.

74-7035. Act not applicable to certain practices and persons. The provisions of this act shall not apply to:

(a) The work of an employee or a subordinate of a person holding a license under this act, if such work does not include final designs or decisions, responsible charge of design or supervision and is done under the direct responsibility and supervision of a person practicing lawfully a technical profession;

(b) the practice of persons who are not residents of and have not established a place of business in this state, who are acting as consulting associates of persons licensed under the provisions of this act and who are legally qualified for such professional service in such persons' own state or country;

(c) the practice of any person who is exclusively and regularly employed by one employer only, the employer not being an engineering, architectural or land surveying firm, and the employer not being primarily engaged in the business of conveying an interest in real property, in an employer-employee relationship, in making surveys of land and determinations of physical property rights in connection only with the affairs of such employer or its subsidiaries and affiliates and for the uses, purposes and benefit of such employer, subsidiaries and affiliates, only;

(d) a plumbing contractor, master plumber or journeyman plumber licensed under the provisions of K.S.A. 12-1508 et seq., and amendments thereto, while performing the work such plumber is authorized to perform pursuant to such license; or

(e) an electrical contractor, master electrician, journeyman electrician or residential electrician licensed under the provisions of K.S.A. 12-1525 et seq., and amendments thereto, while performing the work such electrician is authorized to perform pursuant to such license.

(f) For purposes of this act, public officers and employees who, within the scope of their employment and in the discharge of their public duties, provide information pertinent to or review the sufficiency of technical submissions, or who inspect property or buildings for compliance with requirements safeguarding life, health or property, are not engaged in the practice of the technical professions.
